- We provide professional, personal, prompt assistance and are right down the street when you need us!
- We offer schools and libraries a 20% discount on all titles for which we receive our normal trade discount.
- In most cases we are able to absorb all shipping costs rather than passing them on to you.
- Orders are easily placed using a procurement card or a purchase order.
- Most books are received within 3 business days after the order is placed.
- Buying from your local, independent bookseller allows Burry Bookstore to continue to support your school or library by donating gift certificates, sponsoring a wide variety of teams and organizations and purchasing ads in various school publications (online vendors, national chains, and any other out of town vendors cannot and will not do this!)
